

EC-CERTIFICATE OF CONFORMITY 0432 – CPD – 0031

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Doorcloser with sliding rail ECO

controlled door closing devices as detailed on appendix 1,,

placed on the market by

ECO Schulte GmbH & Co. KG Iserlohner Landstraße 89 D- 58706 Menden

and produced in the factory

Herstellwerke DO 2.17, DO 2.32 und DO 2.30

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body no. – 0432 MPA NRW - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

DIN EN 1154: 2003-04 (EN 1154:1996 + A1:2002 D)

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 24.03.2004 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Dortmund, 17.08.2011

amen

Dipl.-Ing. H. Jansen Head of the certification body
